POST DETAILS

Title: TEACHER OF PHYSICS
Description: Teacher of Science (Physics)
Salary range: £38,296 - £50,017
De La Salle College is a 3-18 school established within the context of the Christian faith and housed in historic buildings overlooking Jersey's principal town of St Helier, Channel Islands. We are seeking to appoint a Science specialist with the skills to teach the sciences throughout the school and Physics to A Level. Whilst the position is open to experienced teachers, we also encourage applications from teachers new to the profession. It is anticipated that the successful applicant will, when appropriate, take responsibility for Physics and a supplementary allowance will be awarded at that point.
An application form and further information can be downloaded from our Website Home Page (www.dls-jersey.co.uk) and clicking the 'About us' drop down and then the 'Job Vacancies' link. Completed Application Forms and a covering letter should be returned to our Recruitment Consultant at 'director@adeoci.com' (from whom further information can be obtained) by Friday 2nd February.
