SECTION B: LANGUAGE SKILLS

Secondary teachers applying for posts in the European Schools should be aware of Article 10.1 of the *Regulations* for *Members of the Seconded Staff of the European Schools* (available on the European schools website (www.eursc.eu) in relation to language competency. Teachers appointed from Ireland will be required to teach in the Anglophone (English) sections of the European Schools.

Applicants, if called to interview, will be interviewed mainly in English.

Applicants seconded to the ES system undergo a separate oral language assessment in a vehicular language (French or German) or in the host country language. Knowledge of the language of the country of employment is particularly desirable. Applicants are asked to indicate their general level of spoken competence in their chosen language as per the Common European Framework of Reference for Language (CEFR). The three levels referenced in the CEFR are basic user, independent user and proficient user. Applicants will be assessed according to the level they have indicated. For appointment to a European School, a basic spoken competence in the candidate's selected language is usually expected. If a candidate excels in every other respect of interview and commits to learning a vehicular language or the host country language during their secondment, that will be looked upon favourably.

Please indicate your level of the proficiency in the language in the table below: Level A: Basic user; Level B: Independent user; Level C: Proficient user.
