POST DETAILS

Title: Religious Education Teacher

Description: The Governors are seeking to appoint a committed teacher to this key teaching position within this 'Outstanding' (Ofsted) academically selective girls' school. This post would suit either an experienced or a newly qualified teacher. We are looking for an energetic and dedicated Teacher of RE to join the school's Religious Education Department. As a Catholic school, the applicant must support the ethos of the school and this post would suit an individual who sees their vocation in teaching and who would relish the opportunity to engage with and inspire young people who are discovering their own faith.

GCSE and A Level Religious Studies courses are well established and examination results are excellent. This post would attract well-qualified and enthusiastic graduates who would enjoy teaching highly-motivated, polite and intelligent students in an academic school, three times judged OUSTANDING by OFSTED, which is committed to the ideals of Catholic education.

This post come about, in part, through a significant investment in the RE department and an increase in teaching time. All students study GCSE RE and all students in the Sixth Form study a Core RE programme – with some opting for A Level RE.
