POST DETAILS

Title:

Post Primary Development Education Officer

Description:

Trócaire works in partnership with local and church organisations, supporting communities in over 20 developing countries across Africa, Asia, Latin America and the Middle East to bring about lasting change. Trócaire envisages a just and peaceful world where; people's dignity is ensured and rights are respected; basic needs are met and resources are shared equitably; people have control over their own lives; those in power act for the common good.

The Post Primary Development Education Officer is responsible for developing and supporting Trócaire's education agenda in the Post Primary sector in ROI. They will play a key role in delivering development education to young people as well as providing training and support for teachers in order to promote the concepts of justice, equality and global citizenship. They will also seek opportunities for collaboration with other education partners and engage with relevant networks in the development education sector. This role sits within the wider Public Engagement Division and is key to the fulfilment of Trócaire's dual mandate.

For the candidate with the required experience and passion for the role, Trócaire offers a competitive package of salary and benefits.

Reporting to The Development Education Manager, this is a specific purpose contract and is based in Maynooth.

Safeguarding Programme Participants-Children & Adults Trócaire is committed to Safeguarding people within our programmes from Exploitation and Abuse and has specific policies on this commitment (including a Global Code of Conduct) which outlines the expected behaviour and responsibility of all staff, consultants and other organisational representatives. Any candidate offered a job with Trócaire will be expected to sign Trócaire's Safeguarding Policies and Global Code of Conduct as an appendix to their contract of employment and agree to conduct themselves in accordance with the provisions of these documents

Key Duties & Responsibilities
