Internationella Engelska Skolan (IES) is a highly successful school group in Sweden with students receiving high grades and a diverse and energetic staff. We have around 27,000 students enrolled in our 37 schools across the country with approximately 2,900 members of staff. IES is non-selective and students do not pay fees to attend school. Our schools follow the Swedish national curriculum and are bilingual with 50% of teaching in Swedish and up to 50% in English.

IES provides an international and stimulating environment, where commitment, professionalism and the English language are common denominators. We work in an environment where teachers can teach and students can learn.
