POST DETAILS

Title:

An exciting opportunity for Primary and Secondary teachers in China!

Description:

Teacherhorizons, on behalf of Maple Leaf Education Systems (MLES), are looking for Irish teachers who are keen for a new and exciting opportunity in China starting in August 2020.

Maple Leaf Educational Systems (MLES) is an international school system that aims to combine a western academic approach in order to prepare students for admission to western universities while at the same time maintaining strong elements of Chinese educational traditions and culture.

MLES currently has schools located in 23 cities throughout China including Dalian, Shanghai, Tianjin, Shenzhen and Xi'an, to name a few, and the group continues to grow, both within China and increasingly into Singapore and Australia.

With their first school opening in Dalian, China in 1995, MLES has become one of the most established and reputable groups of international schools in China with over 380 BC certified teachers and over 12,000 successful students who have graduated with a BC (Dogwood) Diploma. MLES has been inspected and certified by the Ministry of Education, Province of British Columbia, Canada since 1998, and has held AdvanceED (USA) accreditation since 2017. As the school group grows they are moving away from the Canadian British Columbian system and more towards a global curriculum that aims to incorporate elements of a variety of curricula. There is also an opportunity for non-teaching spouses to work within the schools as well!

The current international teaching vacancies are:

- * Science
- * Maths
- * English
- * EAL
- * Humanities
- * Business Studies
- * IT
- * Psychology
- * Art
- * Food Technology

This is an exciting time to be involved in a pioneering and growing organisation that brings together the best of Eastern and Western education values.

Teachers must be fully qualified with at least one year of experience. There might be opportunities for unqualified teachers as well if you have a degree TEFL or CELTA qualification

The school will offer a competitive package including health insurance with a salary scale between €34,000 to €46,000 depending on experience (and additional stipend if you have an MA).

If you are interested, and to find out more about the salary and benefits package, get in touch as soon as possible by emailing laura@teacherhorizons.com with a copy of your CV.

We look forward to hearing from you!

APPLICATION REQUIREMENTS

- Curriculum Vitae

Applications may be submitted by

- Email
