POST DETAILS

Additional Information:

It is possible that a post may be combined with Learning Support (for suitably qualified applicants) or with another curricular subject to create a post of 22 hours. Belmayne Educate Together Secondary School is a start-up Droichead voluntary secondary school. We are currently recruiting teachers who are passionate about their subject, who are truly student-centred, who are hard-working and want to be part of a team that empowers students both in and out of the classroom.

Everyone is addressed by first name in our school, there is no school uniform and we promote inclusivity, innovation and restorative practice. We encourage CPD and support teachers to lead projects they are passionate about. As a growing school, there are an unusually high number of opportunities to lead learning and to help to develop school culture. Our rapidly increasing enrolment also means that promotional prospects are very good.

We have an open door policy, use a cross-curricular and team-teaching approach whenever possible and use a virtual learning environment (G Suite for Education) to communicate and share resources. We will develop our own resources along with the use of textbooks and students will have iPads. We are committed to having high standards and high expectations in our learning and teaching.

All contracts are fixed term. All posts are subject to sanction by the Department of Education and Skills on the basis of increased enrolment so that a contract can only be signed at the start of the academic year and after the redeployment panel has been cleared.

Required Subject: Spanish
