#### POST DETAILS

**Title:** Digital Learning Project Officer  
**Description:** Digital Learning Project Officer

Camara Education Ireland addresses the need for educators to use effective technology solutions to unlock 21st Century learning opportunities for all young people. Our approach provides a custom response to training, support and infrastructure in schools, implementing government policy and best practice. We are unique in our presence across formal and non-formal education sectors.

As a social enterprise organisation in the education sector, in the last year alone we have worked with over 1,800 schools and youth organisations to help them effectively integrate technology as a learning tool. Our customised solutions have helped over 9,000 educators to develop the knowledge, skills and confidence to use digital tools to enhance their practice. We have delivered 7,500 devices to support the use of digital technologies in these educational settings.

For this role, we are seeking an enthusiastic and capable individual to join our team and work primarily with schools to support teachers to develop a creative digital learning environment.

#### Responsibilities

The successful candidate will work as part of a team to ensure a range of deliverables are achieved across our project and social enterprise activities including:

- Project Management
- Plan and deliver professional development opportunities and events
- Deliver our services and products to organisations across the education sector
- Design new programmes in response to emerging needs
- Collect and monitor feedback from participants to ensure a high standards are maintained
- Stakeholder Engagement
- Manage relationships with multiple education practitioners and organisations
- Quality monitoring of the project with teachers, youth workers, volunteers and young people
- Research & Development
- Engage in continued professional development to stay current with developments in the technology sector
- Keep a watching brief on emerging technologies and develop proposals and opportunities to innovate

#### Marketing & Communication

- Seek speaking opportunities at relevant events
- Contribute content to organisational platforms
- Requirements
- 3rd Level qualification in education

Primary and/or Post-Primary Classroom Teaching experience  
Understanding of current Education Policy and Strategy in Ireland  
Experienced facilitator of creative digital approaches to learning.  
Desirable  
Experience of working collaborative with peer networks  
Experience in project management  
Accreditation educational software  
Skills & Competencies  
Self-motivated with excellent organisational skills  
Strong technical skills across digital equipment, tools and creative softwares.  
Creative thinker and problem solver with the ability to be resourceful, think quickly, work flexibly, adapt to changing situations  
Strong attention to detail.  
Excellent communication skills with confidence to initiate in person contact with educators to build a community of digital youth work practitioners.  
Foster strong relationships with external funders and partners.  
Excellent organisational, time management and interpersonal skills.  
Comfortable working with colleagues remotely located.

#### Additional Information

Full-time permanent contract  
A full, clean driver's licence is preferable as the role will involve travel when restrictions lift
