OUR STAFF

As a full boarding school, our staff are involved in all aspects of school life, sharing time in the classroom, in the boarding houses, out on the mountain and travelling the world. You may find yourself teaching an IBDP class in the morning, helping to staff one of our amazing expeditions in the afternoon, or accompanying a group to surf in Bali during the holiday period. Professional development and training opportunities abound, and we believe in growing talent and supporting great teachers in their career paths. As a member of the Nord Anglia Education group of schools there are opportunity for ongoing professional training and exchange amongst the world's leading premium schools organisation. Our students come from over fifty different countries, with diverse academic backgrounds and a wide range of future aspirations. With curricular programmes in both English and French, students graduate with an IB, or Advanced Studies Diploma. Within this framework, small class sizes allow for a flexibility of programme and staff are encouraged and supported to bring new ideas to all that they do.

Our ongoing campus development and maintenance programme ensures that our students and staff thrive in an environment of which they can be rightly proud.
