POST DETAILS

Title: Project Worker – Wizards of Words (WoW) Advisor
Description: Wizards of Words (WoW) is a school-based reading initiative developed by Barnardos in 2007. It is a targeted intergenerational paired reading programme whose purpose is to improve children's overall reading achievement. The programme pairs first and second class students who are nominated by teachers for extra reading support and have been assessed as meeting the eligibility criteria for WoW. The trained volunteers meet with their child three times weekly for 30 minute sessions in a communal setting during school hours to provide individualised reading instruction and support.
