POST DETAILS

Title:

Expressions of Interest: Lecturers

Description:

Lecturers to teach on the BIMM Institute Dublin third level education courses:

- BA (Hons) Music Business
- BA (Hons) Commercial Modern Music
- Foundation Diploma in Music Business

Contractual Hours: variable hours depending on subject area and student numbers.

BIMM Institute Dublin is moving through an exciting time of expansion and curriculum development, we are looking for experienced lecturers as well as industry experts who may be new to teaching to work with us.

We are committed to establishing a culture of inclusivity across BIMM Institute, so that we truly represent the diversity of our students and the creative industries, both in what we teach and how we work. Our mission is that our Music Business courses educate, support, and enable the music business professionals of the future by understanding what came before, what is happening right now and how to be part of shaping the future of creative industries.

We are developing our teaching faculty with the introduction of new degree modules and have opportunities for regular teaching from September 2021, as well as cover teaching/deputising and guest lecturing on an ad hoc basis. BIMM provides internal training and professional development for all tutors, especially those new to teaching.

Person specification

As a creative industry professional, you will bring a wealth of knowledge and experience to BIMM, sharing what you have to develop our upcoming generation of new industry professionals. You may also be an experienced, trained lecturer who can provide the academic underpinning of degree success. We particularly encourage applications from Disabled people, women, and other minority genders, and those from Black, Asian and minority backgrounds, as these individuals are currently under-represented in our workforce. If you already have a post-graduate qualification (Level 7 or 8) then this will be advantageous.

Interested in joining our growing team of lecturers and becoming part of a movement that takes an active and passionate role in educating the next generation of creative professionals?

We are looking for expertise in the following areas:

- Music Business modules

- Applied Music Business & Study Skills
 - Music Business Studies
 - Recorded Music Industry
 - Creative Industries & You 1: Finding Your Path
 - Artist Management
 - Releasing Music
 - Creative Industries & You 2: Creative Collaboration
 - Creativity, Identity & Agency
 - Touring and Live Events
 - Festival Management
 - Live Sound
 - Social Media & Digital Marketing
 - Business & Enterprise
 - Record Label Management
 - Financing Creativity
 - Rights Management & Secondary Exploitation
- *Further detail on all modules available upon request

We are committed to establishing a culture of inclusivity across BIMM Institute, so that we truly represent the diversity of our students and the creative industries, both in what we teach and how we work.

All posts are subject to Right to Work and DBS checks.
