POST DETAILS

Additional Information:

Stepaside Educate Together Secondary School is currently recruiting innovative, creative and collaborative teachers, passionate about their students and their subjects. 2021/22 will see our first ever group of 6th year students sitting their Leaving Certificate exams.

If you want to join a hardworking and positive team with plenty of leadership opportunities we would love to hear from you. Text books are not used at Junior Cycle or in Transition Year, instead teachers generate their own resources and learning at this level is mediated through ICT. Text Books are used at senior cycle.

As an equality-based school the culture is based on Kindness and Respect for all. 21st century learning and development and Project Based Learning are fundamental to how we learn and teach in SETSS. Our rapidly increasing enrolment also means that promotional prospects are very good.

All teachers are expected to teach Ethical Education, which should be embedded in every subject. This position may also be combined with Learning Support or with another curricular subject. Please specify any other subjects that you are qualified to teach or would be willing to teach on the application form.

We encourage a cross-curricular approach, where team-teaching, peer observation and collaboration are part of our culture. Our students and teachers use Microsoft devices, Teams and One Note to enhance learning. We are committed to high standards and expectations in terms of our learning and teaching. As an Educate Together Secondary School we are guided by the Educate Together Blueprint for Second Level Schools. Further information about the school is available on www.stepasideetss.ie.

This post is subject to sanction by the Department of Education and Skills, a contract can only be signed after the redeployment panel has been cleared.
