POST DETAILS

Title:
Teacher of Maths & Physics

Description:
We are seeking a dynamic and versatile teacher of Mathematics and Physics to join a highly successful department at one of the world's leading boarding schools, Institut auf dem Rosenberg. The candidate should be a motivational and engaging teacher to high achieving international students.
We are particularly interested in hearing from candidates who:

- employ modern teaching techniques and have a proven track record of excellent academic results, classroom management and in-class differentiation.
- have a proven record of accomplishment of teaching students of all age groups and differentiating effectively in the classroom.
- have taught higher level Mathematics courses equivalent to AP Calculus or Further Maths A-level.
- have taught higher level Physics courses equivalent to AP Mechanics or Physics A-level.
- have prepared students for international competitions.
- are willing to develop and implement the Rosenberg Curriculum.
- are interested in taking an active part in the Institut auf dem Rosenberg's extensive Talent & Enrichment programme.
- have the ability to lead on projects and work independently.

Requirements - ideal candidates will have:

- an appropriate degree, DipHE, PGCE or equivalent teaching-qualification.
- a minimum of 5 years' teaching experience.
- the ability and willingness to teach International GCSEs/A-Levels, IB Diploma and US High School Diploma/Advanced Placements.
- proven track record of guiding students through the examinations for the above degrees or equivalents with excellent grades.
- dedication to the ongoing development and excellence of Institut auf dem Rosenberg and a commitment to the school's values and ethos.

The School:
Institut auf dem Rosenberg is a prestigious and leading independent boarding school for students aged 4-19 years, offering an international education to pupils from all over the world. We have pioneered ways to educate children and young adults according to their individual abilities, talents and goals for the past 130 years.

Our value-based philosophy is to educate students in preparation for the challenges of the 21st Century. The school offers International GCSEs and A-Levels, US High School Diploma with Advanced Placement examinations as well as the IB Diploma.

The school also operates a one-of-a-kind Talent & Enrichment programme offering an abundance of co-curricular and sports programmes as well as the world's first school-owned Creative Lab, a learning and experimentation environment.

Initial interviews will be conducted via Google Meets. Any offer of appointment will be subject to child-protection screening including reference checks with previous employers, and clearance from the Disclosure and Barring Service (previously known as CRB) or equivalent.
