## Cur sÃ©os:

Engage Education are currently assisting an Outstanding UK school with recruitment for their September 2022 academic year. The school is based in South West London, has an Irish Head Teacher, and a large contingent of Irish staff. The school is seeking applications from suitable candidates who are either conditionally or fully registered with the Irish teaching council.

The school is in a position to hold an interview event in Dublin at the end of May 2022. This will offer candidates the opportunity to interview directly with the Head Teacher for vacancies for September 2022.

Vacancies for the school are in the following areas:

English X 3  
Design Technology  
Science  
Maths  
Business and Economics  
French  
ICT/Computing

The school is a co-educational school based in Merton, and promotes the belief that every student has the right to the highest standard of education so that they can accomplish their aspirations. The school runs a rewarding and exciting enrichment programme to provide students with an opportunity to participate in an array of activities, such as guitar, chess, basketball, debate, trampolining, and drama.

This is an exciting opportunity for Irish teachers to secure work in a school that knows and understands Irish graduates, and can offer support and guidance to overseas trained teachers.
