Title:

Primary School Teacher

Description:

Primary Teaching Position

Location: Harrow, North West London, England.

Engage Education is supporting a small primary school which has a Catholic faith ethos. This is a thriving, welcoming community where staff, parents and governors work together to ensure all children can flourish and can reach and exceed their potential. This is a 'Good' school and the most recent inspection stated "Pupils' behaviour is good and they have positive attitudes to their work. Pupils are happy in school". The school has positions for two new primary teachers to join their team in September 2022.

The school is situated in a popular area of West London called Harrow. The nearest airport is Heathrow which is just a 40 minute drive away. Ryanair flies into Heathrow from most major airports in Ireland.

Harrow is an ideal location as it is just a 40 minute train ride away from London central but also has its own amenities, services and social life.
