POST DETAILS

Title:

Substitute / Supply Teacher

Description:

Supply / Substitute Teachers - London

Supply teaching in London is an excellent way to get to know schools in your local area and build up your experience. For a lot of UK based teachers, supply work is the preferred choice, there are many reasons for this:

Less planning / assessing - giving you time to settle when relocating

Insight into lots of different great schools

Can lead to a permanent role in a school you know you love!

At Engage Education, we've spent over a decade making sure our supply teachers are happy and supported, and offer satisfying and reliable work. We have built an excellent reputation across various locations in London and developed strong links with schools.

At Engage, we recognise that when relocating a secure income is needed, that is why we have 'Secured Guarantee Pay' contracts available. These are supply work contracts that offer you all the benefits of supply work with the security of knowing you will earn the same amount each week.

Salary - Pay is paid at a daily rate which ranges from £135-£145 depending on experience.

About the role:

We are looking for teachers to work on a day-to-day supply basis to cover both planned and unplanned absences.

What do I need?

A Teaching Degree at primary or secondary level and one year experience is desired

Flexibility, enthusiasm and motivation to deliver great lessons

Behaviour management skills

An ability to adhere to and implement schools' various policies

Why choose Engage?

1. We put the ambitions of our teachers first, ensuring you have the support to teach the way you want to, and pride ourselves on providing high levels of service to our teachers and support staff.
2. We offer an excellent 'refer-a-friend' scheme that pays you £150 for every teacher you refer to us (after they work 10 days or more).
3. We pay our teachers in line with the Agency Worker Regulations (AWR) meaning you will be paid the same as a permanent employee, regardless of how many days you work.

4. You will have your own dedicated consultant, who is fully-trained to answer all your questions and provide ongoing support and guidance.

5. We will also invite you to our CPD training sessions, which are delivered by our in-house team of former senior leaders, and are entirely free to attend!

If you are looking for supply, full time or part time work in London or other areas, please do reach out to Emma and Rachel in the Dublin Office. We work with schools in Leeds, Surrey, Essex, Brighton and much more!
