**Title:** Substitute / Supply Teacher

**Description:** Supply / Substitute Teachers - London  
 Supply teaching in London is an excellent way to get to know schools in your local area and build up your experience. For alot of UK based teachers, supply work is the preferred choice, there are many reasons for this:  
 Less planning / assessing -giving you time to settle when relocating  
 Insight into lots of different great schools  
 Can lead to a permanent role in a school you know you love!

At Engage Education, we've spent over a decade making sure our supply teachers are happy and supported, and offer satisfying and reliable work. We have built an excellent reputation across various locations in London and developed strong links with schools.

At Engage, we recognise that when relocating a secure income is needed, that is why we have 'Secured Guarantee Pay' contracts available. These are supply work contracts that offer you all the benefits of supply work with the security of knowing you will earn the same amount each week.

Salary - Pay is paid at a daily rate which ranges from £135-£145 depending on experience.

About the role:

 2. We offer an excellent 'refer-a-friend' scheme that pays you £150 for every teacher you refer to us (after they work 10 days or more).  
 3. We pay our teachers in line with the Agency Worker Regulations (AWR) meaning you will be paid the same as a permanent employee, regardless of how many days you work.  
 4. You will have your own dedicated consultant, who is fully-trained to answer all your questions

and provide ongoing support and guidance.
