Title:
English Language Assistant in France with accommodation

Description:
CapEnglish is currently looking for their next Language Assistants in the South of France.

As an LA you will gain invaluable classroom experience, whilst fully immersing yourself into French culture. You will work alongside the local French teachers, but in English. You'll teach around 20hrs a week to young learners, 3-11 yrs old at a local pre-primary or primary school.

Your immersion continues at home as you will be living with a host family. Accommodation and meals are provided and you'll also receive a monthly income. In return you we ask you to kindly help the host family around the house or with their kids for a few hours per week (up to 7 hrs max).

This is a great 6 month opportunity (CDD) for a young teacher who wants to grow in their international teaching experience as well as improve their French language skills.

Below is some additional info regarding the Language Assistant that we are currently recruiting for in Nîmes. Please note that we will also recruit for other French towns throughout the academic year.

The school: a private catholic school in the heart of Nîmes. This establishment enjoys a good reputation and offers a very friendly and supportive teaching team. You'll be working with 3-6yo's.

The family: this host family is a lovely, warm and supporting family of 6. The father is a French Banker and the mum is American, and happens to also be a teacher herself (so some extra teaching advice at the ready). They have 4 sweet kids ranging from 2-11yrs.

The location: Nîmes is a city in the Occitanie region of southern France. It is famous for its many Roman remains, which are mostly in an excellent state of preservation. Visit the magnificent Arena or take a stroll through the vibrant city, enjoying local French cuisines. Well connected by train, you have easy access to many other beautiful landmarks throughout France, including Paris.

Our ideal profile is someone who is passionate about working with young kids and has preferably had some teaching experience. They need to be adaptable, motivated and ready to start in October or November. A valid working visa for France and fluency in English is a MUST. Basic French is desirable.

If this sounds interesting, then please contact us or if not, then why not refer a friend?
