POST DETAILS

Title:

Senior Education Programme Executive

Description:

Irish College Leuven works to support the island of Ireland's position as a respected member of the international community. Our vision is a forward and outward one that sees, an Ireland that is better informed and positively influences the world.

In supporting our vision, the mission of our organisation is:

To maximise the promotion of opportunities for the island of Ireland, and the appreciation of its cultural heritage, through education, training and research. To develop initiatives that inspire thought, change attitudes, influence and inform decisions.

In delivering our mission we draw on our values:

- Excellence - In all our activities we strive for excellence and professional delivery
- Transformative - In delivering our mission we seek to transform the lives of those who engage with us
- Inspiring - We deliver programmes that inspire thought and leadership for the future
- Service - We serve all organisations on the island of Ireland and its diaspora

Job Purpose

The Senior Programme Executive will join our education team and support the mission of Irish College Leuven as a resource for the island of Ireland through outreach and client engagement.

Key Tasks**Programme Management**

- Build and maintain strong relationships with clients across a variety of sectors and provide a high level of service.
- Design, develop, and deliver education, training, networking, and cultural programmes that meet client requirements.
- Research, identify, and engage with suitable speakers and academic expertise that can contribute to programmes and the Institute's network in Belgium
- Research examples of best practices in Belgium (or within easy reach of Belgium) across sectors, which may allow client organisations to 'benchmark'.
- Manage programme logistics such as coach transport, entry to EU institutions or other visitor destinations, internal and external meals etc
- Manage programme budget and prepare invoices for issue to clients per the Institute's accounting procedures.

Mission Outreach

- Engage with decision-makers in the higher education sector, second-level education tier, local government units, government departments, commercial sector, community and voluntary

groups, and interest groups

- Strategically identify potential clients who can benefit from the assets and network available to the Institute
- Draft well-considered and realistic programme proposals in a professional manner that reflects a positive image of the Institute
- Represent the Institute at functions and events, including where appropriate making presentations
