POST DETAILS

Title:
Biology and Chemistry Teachers

Description:
We are looking for a new Biology & Chemistry Teacher to join our UniHaven College, part of ONCAMPUS portfolio for foundation teaching centres.

UniHaven College is recruiting for a new teacher to teach the UniHaven College QQI Level 5 Specific Purpose Certificate in International Foundation Studies Programme. This programme is delivered in class in Maynooth.

Ideally, we are looking for:

either 2 teachers to take approx. 9 hours per week each
or 1 teacher 18hrs per week.

About the role:

It will entail travel from Maynooth to Dublin (paid for/deducted as necessary) to prepare and deliver the lab workshops as part of the modules. The labs are included in the hours
Part-time or annualized, fixed-term contract, up to 16 hours per week
Starting on: August 2024
Ending on: December 2024 with potential to be extended for the January 2025 academic term.

Ideally, the successful candidate will be able to teach on multiple modules within the relevant pathway.

Successful applicants will have the ability to teach students from a variety of countries and cultural backgrounds of different language levels. This is an exciting opportunity for experienced and skilled teachers who are looking to teach in international education.

Applicants are required to:

Have appropriate qualifications and experience in teaching the relevant module in a higher education context.
Teach and assess the required modules on the programme.
Participate in all College boards and committees as requested.
Support students in their learning journey at the college.

Teachers report to the Programme Manager and will:

Be an enthusiastic, competent, and caring educator who demonstrates support and compassion

to make sure students achieve their desired academic progression aims.
Build on the relationship with the educational partner and affiliate universities to maximise student progression and identify opportunities for further collaboration.
Embed procedures, policies, and requirements of UniHaven College and ONCAMPUS Ireland and all relevant external bodies including QQI, ILEP/IEM, statutory agencies and to support an excellent student experience.
Support UniHaven College's aims to increase the volume of students progressing through to our higher education partners.

Please note that interviews for shortlisted candidates and any potential job offers may be in place before the application end date. We recommend that, if interested in any of the roles, you apply as soon as possible.
