POST DETAILS

Additional Information:

Drogheda Educate Together Secondary School is a start-up Droichead school based on the south side of Drogheda. We are currently recruiting teachers who are passionate about their subject, hard-working and want to be part of a team that empowers students both inside and outside the classroom.

As a growing school, there are an unusually high number of opportunities to lead learning and to help to develop school culture. Our rapidly increasing enrolment also means that promotional prospects are very good.

We encourage a cross-curricular approach, where team-teaching, peer observation and collaboration is part of our culture. Our students and teachers use iPads and a virtual learning environment (MS Teams), to enhance learning. We are committed to high standards and expectations in terms of our learning and teaching. As an Educate Together Secondary School we are guided by the Educate Together Blueprint for Second Level Schools
