POST DETAILS

Title:
Computer Science Teacher

Description:
UniHaven, part of OnCampus portfolio for foundation teaching centres, is looking for a new Computer Science Teacher.

With appropriate qualifications, teaching experience and academic skills in a higher education context, the successful applicant will contribute to the teaching and learning of students within UniHaven. with the ultimate goal of securing success for all students, to Achieve More, progressing onto their chosen degree course at the Higher Education/University partner. The following outline of roles and responsibilities may be adjusted according to the needs of the centre and time of the year.

The appointed candidate will teach and assess the required modules on the programme; participate in all College boards and committees as requested and support students in their learning journey at the college. Successful applicants will have the ability to teach students from a variety of countries and cultural backgrounds of different language levels.

Key aspects we require for our Module Teachers at Unihaven:

- Degree qualified at NFQ level 8 minimum (essential).
- Recognised TEFL certification (CELTA, Trinity TESOL or QQI Certificate in Teaching English as a Second or Other Language (TESOL) - NFQ Level 7 (Special Purpose Award)).
- Postgraduate degree in a related discipline.
- Teaching qualification.
- Teaching experience – 3 years minimum (essential).
- Experience in teaching, assessment and learning support (essential).
- Experience and expertise in programme development.
- Demonstrate cross-cultural awareness and understanding.
- A commitment to teamwork, and an ability to manage resources effectively, both human and physical.
- Excellent interpersonal, communication and presentation skills including native speaker fluency in English.
- Competence in the effective use of Information Communications Technologies (ICT).
- Planning and organisational skills and an ability to take initiative within the curriculum objectives.
- Attention to detail, thoroughness, and fairness.
- The ability to prioritise, meet deadlines and work under pressure.
- The ability to adapt to a changing environment or College priorities

The role is on a part-time, fixed-term contract (until 24th August 2025) with location in Maynooth, Ireland. The contractual hours required are up to 6hrs per week.

Please note that interviews for shortlisted candidates and any potential job offers may be in place

before the application end date. We recommend that, if interested in any of the roles, you apply as soon as possible.

About UniHaven

UniHaven College, based in Ireland's oldest university town Maynooth, provides guaranteed offers for study at top universities in Ireland. UniHaven College is a provider of a programme leading to a QQI Award Level 5 – further education and training - to provide a QQI-accredited international foundation programme in Ireland for international students who wish to progress to prestigious universities and colleges.

Based in Maynooth, UniHaven College will join Cambridge Education Group's OnCampus portfolio of foundation teaching centres across the United Kingdom and Europe. The college will offer two-semester foundation programmes designed to enable international students to progress to undergraduate degrees at a range of top-ranked partner universities in Ireland.

What does OnCampus do?

OnCampus teach pre-university programmes with opportunity for guaranteed progression to a wide range of undergraduate and Master's degrees at leading universities in the United Kingdom and mainland Europe. Since 2008, OnCampus has helped thousands of students progress to their chosen university. OnCampus is part of Cambridge Education Group a global company with its headquarters in Cambridge, UK.
