#### POST DETAILS

**Title:**

Teacher of IB Biology &amp; Chemistry

**Description:**

Location: Copperfield International School, Verbier, Switzerland

Copperfield International School invites applications for an experienced and dynamic Teacher of IB Biology & Chemistry to join our academic team. This role focuses on delivering the International Baccalaureate Diploma Programme (IBDP), with the possibility of teaching elements of integrated sciences in the MYP.

**Key Responsibilities:**

Teach IB Biology and Chemistry courses within the IBDP framework, inspiring students to achieve academic excellence.

Develop and implement engaging, inquiry-based science curricula that encourage critical thinking and scientific exploration.

Collaborate with colleagues to promote interdisciplinary approaches and participate actively in school-wide academic initiatives.

Engage fully in the life of the school, contributing to academic and extracurricular programs, and supporting our vibrant boarding community.

**Qualifications:**

A degree in Biology, Chemistry, or a related field, with a recognised teaching qualification.

Proven experience and success in teaching IB Biology and Chemistry, with excellent student outcomes.

Strong communication skills and fluency in English; functional knowledge of French is an asset, with a willingness to develop language skills further.

A demonstrated ability to adapt to a dynamic educational environment and work collaboratively with a diverse team.

**Offer:**

Professional development opportunities within a globally connected network of schools.

The unique lifestyle benefits of living and working in the Swiss Alps, offering a balance between professional engagement and outdoor recreational activities.

#### Application Process:

Interested candidates should submit their application by 15 February 2025 through the Times Educational Supplement (TES) portal (see Further Info Link). Please include a detailed CV, a compelling cover letter, and references.

#### About Copperfield International School:

Join our dedicated team at Copperfield International School, where we are committed to fostering academic excellence and innovation. As part of the Dukes Education group, we offer unparalleled opportunities for professional growth within a global network dedicated to educational excellence.

We look forward to welcoming you to our exceptional school community.

Copperfield reserves the right to appoint before the deadline date so early applications are encouraged.

Initial interviews will be conducted online. Any offer of appointment will be subject to permission to work and child-protection screening including reference checks with previous employers, and police checks.
