## Eolas Breise:

North Wicklow Educate Together Secondary School, established in 2016, is a co-educational institution where equality, individuality, and democracy are fundamental values. At our school, teachers use Universal Design for Learning (UDL) principles to plan their lessons, ensuring that all students have equitable opportunities to succeed through diverse means of engagement, representation, and expression.

We are seeking dedicated teachers who have familiarised themselves with the ethos outlined in the Blueprint for Educate Together Second-Level Schools. Candidates should be committed to fostering creativity and lifelong learning through collaborative educational practices. This role offers the opportunity to join a professional community that values excellence and innovation in teaching, all underpinned by the UDL framework. Additionally, we actively collaborate with other schools to enhance our educational practices and share best practices.

Located just off the N11 in Bray, Co Wicklow, our school is easily accessible from surrounding counties and further afield, including Carlow, Wexford, and Kildare.

To apply, please send your CV and cover letter to [recruitment@nwetss.ie](mailto:recruitment@nwetss.ie). Interviews will be conducted in early April. All positions are subject to the sanction and conditions of the Department of Education & Skills.
