South Lee Educate Together NS is a developing, equality-based primary school under the patronage of Educate Together. In September 2025, we will be catering for Junior Infants to 5th Class, as well as two autism classes. Our school is committed to providing a nurturing, inclusive environment where all children are valued and supported to reach their full potential.

We place strong emphasis on collaboration, creativity, and child-led learning, and are proud to foster a culture of kindness, respect, and diversity. Experience in an autism class/SET is essential for this role, as we are seeking a teacher who brings empathy, organisation, flexibility and a strong understanding of the needs of autistic children to our dedicated and dynamic team.

Please do not post a hard copy of your application to the school - it will be shredded and not considered.
