Community National Schools (CNS) are child-centred, multidenominational, publicly-accountable schools which strive to provide high quality education for every child. They give equal opportunities to all children in the communities they serve. Greystones CNS operates under the patronage of the Kildare and Wicklow Education and Training Board.

We fully implement the Primary School Curriculum as laid out by the Department of Education & Skills. A Literacy Evaluation was conducted in our school by the Department of Education & Science in March 2019 and we were delighted with the outcome. Our school was rated as very good (highest rating possible) in all areas. The published findings can be accessed at this link

Inclusion is something we are passionate about. As professionals, we are continuously upskilling and working to ensure that all children who attend Greystones CNS are supported to achieve to their very best in a holistic sense – academically, physically, socially, culturally and morally.

We pride ourselves on being a tight knit school community with a family feel, we have high standards in our teaching and learning but also place a strong value on community and fun. If you would like to be a part of our journey, please send applications to [applications@greystonescns.ie](mailto:applications@greystonescns.ie)
