We are a nurtured based school that is trauma informed for nearly twenty years, restorative in practice and at the front foot of all new initiatives around pupil well being be it academic or social. All staff are very experienced in these areas and new staff are supported in understanding what it means to be part of the St Thomas' SNS team.

We are also an European ICT school of distinction, proactive in implementing all new curriculum programs, supportive of all staff CPD and supporting all new staff on their first steps in teaching or if choosing a change. We place the highest standards and expectations on all pupils so as to ensure they succeed across all areas of school life.
