The term Personal Assistant refers to an individual who is employed to assist someone with a physical or sensory disability to lead an active, independent life.

The role of a PA is to facilitate a person to live their life as they choose within the community. Where possible, the student will direct and manage his or her Personal Assistant service. Therefore, a PA will carry out tasks and duties in accordance with the wishes of the person with whom they work. Hence, the use of the term personal; no two individual's requirements are the same.
