Belmayne Community Special School (BCSS) is a Community Special School that will provide for the needs of students with autism and complex learning needs. It will cater for students who require the support of a special school, from the beginning of primary school to eighteen years of age. This new developing school will be located in Belmayne, north county Dublin.

The school will open in 2025 with Principal, an Administrative Deputy Principal and teaching staff to cater for a number of special classes. As Belmayne CSS is a developing school, the long-term enrolment of children in the school is expected to grow from 2025 onwards.
