## Additional Information:

DDLETB invites applications from suitably qualified persons for the post of Special Education Teacher in Lucan Community Special School under a specific contract of employment to take effect from the 3rd December 2025.

Lucan Community Special School (LCSS) is a Community Special School that will provide for the needs of students with autism and complex learning needs. It will cater for students who require the support of a special school, from the beginning of primary school to eighteen years of age.

This new developing school will be located in Lucan, west county Dublin. The school will open in November 2025 with the Principal, an Administrative Deputy Principal and teaching staff to cater for a number of special classes.
