POST DETAILS

Additional Information:
Qualified post-primary teachers required for award-winning tutoring not-for-profit to deliver online 1-1 and small group tutoring to Leaving Cert students from under served backgrounds (evening hours/remote).

Our team is on a mission to break down barriers to opportunity for young people, by providing free online tutoring to underserved students in Ireland. jumpAgrade, a not for profit, is on the hunt for passionate, socially driven online tutors to work with students during the academic year. We work closely with our partner schools to identify students who will benefit from additional tuition support and would otherwise be unable to access it.

We are recruiting qualified teachers who are passionate about education equality, and who are interested in providing 1:1 and small group online tuition after school hours.

If you are interested in tutoring secondary school students in Junior/ Leaving Certificate then we want to hear from you. Due to a new student intake for the spring term we are currently recruiting across the following subjects:

Maths (HL)
Biology (HL)

- Please note, we accept rolling applications for all Leaving Cert subjects. Demand for each subject is based on students needs.

Why work with us?
Set your own schedule and available hours
Competitive hourly rate with top class online learning platform, internal curriculum in core subjects, and an extensive library of teaching resources available.
Participate in free online training and professional development
Help make education fairer and change the trajectory of a young person's life.

The Fine Print

Applicants are required to have:
Recent experience teaching in an Irish post-primary school
Minimum of 1 year's experience teaching
Evening availability to work with students online after school
Familiarity with Leaving Certificate curricula
Digitally literate - comfortable teaching online
Experience working with students on an individual and group level

It is a requirement to hold a valid Statutory Declaration and to complete the Form of Undertaking for this position upon offer of employment.

Required Subjects:	Biology Mathematics
