#### POST DETAILS

**Title:**

Early Years Teacher

**Description:**

Do You Hold a Strong Image of the Child?

At E-Maison International Pre-School in Ho Chi Minh City, we co-construct, explore, and wonder alongside our students. We believe children are capable, resilient, and full of potential. If you view the child as a "protagonist" in their own learning and are passionate about the Reggio Emilia Approach, we want to hear from you.

We recruit dedicated staff year-round to join our peaceful, green campus in the heart of An Khanh (formerly Thao Dien).

**Why Choose E-Maison?**

A Reggio-Inspired Sanctuary: Work in a beautiful, nature-filled environment where the "environment as the third teacher" is a living reality.

**Professional Growth:** We offer ongoing professional development and collaboration with an international team of experts.

**Global Community:** We celebrate diversity and welcome educators from around the world to bring their unique perspectives to our inquiry-based curriculum aligned with Australia's EYLF outcomes.

**Living in HCMC:** Experience the vibrant culture and high quality of life in Ho Chi Minh City. Our team provides full support throughout your transition, including assistance with visas and work permits.

**What We Look For**

We welcome educators who:

Hold a Bachelor's Degree in Early Childhood Education from a recognised university.

A teaching license is a plus.

Demonstrate a deep commitment to play-based, child-led inquiry.

Are collaborative, reflective, and eager to document the "100 Languages" of children.

Have a minimum of 3 years of relevant professional teaching experience, preferably within a Reggio-inspired or inquiry-based setting.

Have a respect-based and responsive pedagogical approach to working with young children.

Commit to making learning visible through pedagogical documentation and a reflective teaching practice.

Able to provide original academic transcripts and a clean international police check for work permit authentication.
