This vacancy will be available subject to Board of Management and Department of Education approval and will commence in the 2026/2027 school year.

Applicants MUST be registered to teach science AND chemistry with the Teaching Council. Registration to teach biology would be advantageous.

It is a requirement that you be registered under Route 2 with the Teaching Council or, in exceptional circumstances, demonstrate clearly that you can achieve registration under Route 2 in a timely manner to facilitate employment.

If called for interview you will be asked to demonstrate competence in the subject areas.

The successful applicant may be requested to teach her/his/their other degree subjects, as well learning support (SEN), CSPE, SPHE.

Shortlisting may occur. Only those shortlisted will be contacted. Provisional interview date is week beginning 08 June 2026. No changes of date or time for persons invited for interview can be accommodated. Interviews will be in-person only and will be held in the school.

Applicants must be vetted by the National Vetting Bureau before commencement of work or must hold a recent vetting and complete a form of undertaking and statutory declaration.

Qualifications as per Teaching Council regulation of the day.

Any offer of employment is subject to verification of the details provided by the candidate. All candidates are required to answer truthfully at all times. This, and the preceding conditions, are among the requirements for a contract of employment to be offered. Details of conditions and requirements will be given to the successful candidate.
