POST DETAILS

Title:
(Remote) Maths Teacher

Description:
We're looking for a full-time online maths teacher to join our growing team.

This is a fully remote role that can be done from anywhere in the world. It pays more than the majority of traditional teaching roles and gives you the chance to focus on what you do best: teaching.

At Dublin Maths, we take care of the parent communication, admin, scheduling, lesson planning and resources, so all you need to do is show up and deliver great 1-to-1 lessons.

Key Benefits
Fully remote role
Competitive pay, above most traditional teaching positions
No parent dealings
No admin
No class preparation
All materials and lesson plans provided
1-to-1 teaching, with no large classroom management
Choose your own availability and work around your life
Strong career progression opportunities as the company grows
Things to Note

Most lessons take place during evenings and/or weekends, as this is when students are usually available.

This is a brilliant opportunity for a strong maths teacher who wants a flexible, well-paid online role without the usual stress of classroom teaching, admin or parent management.
