QUALIFIED POST-PRIMARY TEACHERS - ONLINE LEAVING CERTIFICATE TUITION

Work from anywhere | Evening hours | Online group tutoring | October-May

LEAVING CERT TEACHERS - WE ARE HIRING!

Want to make a difference beyond the classroom?

At jumpAgrade - Ireland's national not-for-profit tutoring programme - we believe potential is everywhere, but opportunity is not.

We provide free, high-quality online tuition and mentoring to Leaving Certificate students from underserved communities. We are looking for qualified post-primary teachers who want to use their skills to level the education playing field and make a genuine difference to young people.

THE ROLE

We are expanding our teaching panel and seeking qualified post-primary teachers to deliver at least one hour of live online group tuition each week, from October to May, supporting students as they prepare for their Leaving Certificate exams.

You will deliver engaging, interactive sessions that combine strong subject teaching with energy, humour and a student-centred approach, helping students build both knowledge and confidence.

We are particularly interested in teachers who are confident using technology and have strong digital teaching skills, including the ability to create an engaging online classroom.

SUBJECTS

We are currently recruiting teachers for Higher Level Leaving Certificate subjects:

Biology
Mathematics
Physics
Chemistry
English
Irish
French

Hours and subjects will depend on teacher availability, student demand and programme funding.

WHAT WE ARE LOOKING FOR

You will need to:

- * Be registered with the Teaching Council of Ireland.
- * Have at least one year's teaching experience.
- * Have strong knowledge of the Leaving Certificate curriculum.
- * Be confident teaching Leaving Certificate students online.
- * Be comfortable managing a live online group.
- * Have strong digital skills and be able to use technology effectively to enhance learning.
- * Bring energy, warmth, humour and enthusiasm to your teaching.
- * Build positive relationships and create an inclusive, supportive learning environment.
- * Share our belief that a young person's background should not determine their opportunities.

WHY JOIN JUMPAGRADE?

Make a difference - support young people who may have limited access to additional educational opportunities.

Build confidence as well as academic progress - help students develop the knowledge and belief they need to succeed.

Work from home - deliver tuition entirely online.

Flexible commitment - at least one evening hour per week during the academic year.

Great resources - use our dedicated online tutoring platform, curriculum resources and lesson materials.

Training and development - receive induction, training and ongoing professional development.

Join a passionate team - be part of a national programme working to make education fairer for young people across Ireland.
