POST DETAILS

Title:

Teaching jobs in the Middle East for Irish Teachers

Description:

Teachanywhere is a specialist recruiter for international schools and organisations abroad.

Many of our schools specifically ask for Irish trained teachers. We have current openings for:
Primary and Early Years Teachers
Post Primary (Secondary): Maths, Science, English, Art, Music, Business Studies, ICT and Humanities

When you work within an international school in the Middle East you will get a tax free salary of 1700 euro a month up to over 3000 euro a month *tax free*. And you get free furnished housing, flights yearly, end of contract bonus and more.

Most contracts in Kuwait are 1 year, whereas in the other countries such as Dubai, Abu Dhabi, Qatar and Saudi they are 2 or 3 years.

Class sizes are small and behaviour is generally good as these are fee-paying schools. Most teachers are expatriates, and many have other Irish teachers for you to enjoy the many sights and experiences that make the Middle East the first choice of most teachers.

Teachanywhere is the largest international recruiter and we have an office in the UAE that visits our Middle East client schools. We will match you with a school that will consider your application and give you CV tips, interview tips and even send you school visit reports.

Why not visit our website to find out more? It's free and if you register online you will get our weekly job mailers.
