Status of Post: Permanent
Number of Vacancies: 10

POST DETAILS

Title:

Teaching Positions for the UAE

Description:

The Ministry of Education in the United Arab Emirates has expanded rapidly and a large number of vacancies across several disciplines have recently opened. The Ministry is responsible for the public education of all schools in the emirates including Dubai, Sharjah, Ajman, Ras al Khaimah, Fujairah, Abu Dhabi and Al Ain.

An interview campaign will be held in Dublin in early October for graduates of:

- Computer Science/Computing teachers
- Computer Science and Computing degree holders (without teaching qualification)
- Creative Design and Innovation Teachers. (UAE's version of Engineering Teaching)
- Physical Education Teachers
- Degree holders of sports related subjects. (without teaching qualification)
- Health Sciences or Nursing Degrees (without teaching Qualification)
- Performing Arts Fully qualified Teachers (Music and Drama)
- Fully qualified Primary School Teachers/Early School Years.

Successful candidates who pass the interview process and do not have a full teaching qualification will partake in a Teacher Training Programme in our training centre in Ajman or Sharjah.

Given the recent graduates are degree holders of the discipline they will be teaching, they will already be highly capable in regard to the subject content. Therefore the training will be primarily Pedagogy based. When the training is completed the Trainee teachers will then be dispersed to the public schools in Dubai, Abu Dhabi, Sharjah, Ajman, Ras AlKhaimah, Al Ain or Fujairah to begin teaching with tutor support from the Teacher Training Team.

Candidates will begin being paid on the day of arrival in the United Arab Emirates and throughout their two year contract on a very generous salary. Salary offers can be seen on the portal link below. (Minimum €44000+per year tax free on todays exchange rate) Medical insurance is included along with flights, 9 days hotel accommodation upon arrival and a contract completion gratuity bonus.

Candidates who are interested can read the job description/Salary offer and upload their CV's via this portal.: <http://cvs.moeuae.ae/>

Upon successful screening of CV's the applicants will receive an email invitation detailing the time, date and location of their interview. Applications for these interviews will close by the 30th of September but we would appreciate it if you apply ASAP as paperwork must be completed in Dubai before travelling to Dublin for the interviews. Expected start time is early December however visa processing can vary this date.

If anyone reading this wouldn't mind sharing this email with their colleagues or recent graduates it would be highly appreciated.

If you have any queries you are more than welcome to contact me by email:
